

## KnovelTrial Details

Product name	Knovel
URL to access	<a href="http://app.knovel.com">http://app.knovel.com</a>
Trial period	28 August 2015 – 26 November 2015
Knovel support site with video tutorials	<a href="http://support.knovel.com">http://support.knovel.com</a>
35 Subject areas + 6 Premium Offerings	<p>Adhesives, Coatings, Sealants &amp; Inks</p> <p>Aerospace &amp; Radar Technology</p> <p>Biochemistry, Biology &amp; Biotechnology</p> <p>Ceramics &amp; Ceramic Engineering</p> <p>Chemistry &amp; Chemical Engineering</p> <p>Civil Engineering &amp; Construction Materials</p> <p>Composites</p> <p>Computer Hardware Engineering</p> <p>Earth Sciences</p> <p>Electrical &amp; Power Engineering</p> <p>Electronics &amp; Semiconductors</p> <p>Engineering Management &amp; Leadership</p> <p>Environment &amp; Environmental Engineering</p> <p>Fire Protection Engineering &amp; Emergency Response</p> <p>Food Science</p> <p>General Engineering &amp; Project Administration</p> <p>Industrial Engineering &amp; Operations Management</p> <p>Manufacturing Engineering</p> <p>Marine Engineering &amp; Naval Architecture</p> <p>Mechanics &amp; Mechanical Engineering</p> <p>Metals &amp; Metallurgy</p> <p>Mining Engineering &amp; Extractive Metallurgy</p> <p>Nanotechnology</p> <p>Nondestructive Testing &amp; Evaluation</p> <p>Oil &amp; Gas Engineering</p> <p>Optics &amp; Photonics</p> <p>Pharmaceuticals, Cosmetics &amp; Toiletries</p> <p>Plastics &amp; Rubber</p> <p>Process Design, Control &amp; Automation</p> <p>Safety &amp; Industrial Hygiene</p> <p>Software Engineering</p>

	<p>Sustainable Energy &amp; Development</p> <p>Textiles</p> <p>Transportation Engineering</p> <p>Welding Engineering &amp; Materials Joining</p> <p>AICHE/CCPS - Center for Chemical Process Safety</p> <p>ASM International Materials Collection</p> <p>ASME Boiler and Pressure Vessel Code 2001-2013, Section II</p> <p>DIPPR Project 801</p> <p>Knovel Polymer Matrix Composites Database</p> <p>Chemical Resistance Database: Plastics and Elastomers</p>
